v	Consolidation and compilation of muck shall be carried- out only in the designated muck dumping sites as submitted in the EIA/EMP report. As per the proposed muck disposal plan, out of 24.4 lakh m3 of muck to be generated due to excavation, about 50% (i.e.12.2 lakh m3) will be utilized for construction purpose and the remaining 12.2 lak m3 will be dumped at the 3 designated areas in an allocated area of 30.59 ha. The identified muck dumping sites shall be at-least 30m horizontally away from the edge of the river corresponding to high flood level (HFL).	Shall be complied - The disposal of unused muck shall be carried out only at designated muck dumping sites as per the Muck Disposal Plan proposed in the EMP.
vi	Muck dumping sites should be handed over to Forest Department only after restoration including plantations etc.	Shall be complied
vii	A provision of an additional unit of 30 MW has been made in the project, which will be running for 24 hours continuously to maintain a minimum discharge of 33.43, cumecs/sec, during the lean season from November-February (About 27% of lean season) at the downstream, shall be strictly adhered-to. Monsoon flow shall be at least 30% of the Monsoon discharge.	Shall be complied - The stipulated seasonal-flows shall be maintained during Project operation.
viii	An Auto mechanism/by pass arrangement in dam design shall be made to ensure release of environmental flow water in event of the 30 MW turbine or when it is put under maintenance.	Shall be complied - To ensure continuous release of environmental flow, the maintenance of 30MW turbine shall be planned only in Monsson season when all main Units are in operation 24X7. - Also to ensure continuous release of environmental flow in the event of 30MW turbine being under maintenance, the provision has been kept in Plant Control & Monitoring (SCADA) system for control of reservoir level and downstream release consideration for environmental flow.

viii	The project proponent shall also submit six monthly compliance reports of the stipulated EC conditions (both hard copies as well as by e-mail) to the respective Regional Office of MoEF and State Pollution Control Board. Monitoring report and compliance report shall be up-loaded on the web-site of project proponent.	Shall be complied
Other Conditions mentioned in the EC Letter		
5.	The Project Proponent shall provide full cooperation and all required documents, data and access to the Officials of Regional Office of MoEF who would be monitoring the implementation of environmental safeguards.	Shall be complied
6.	Besides the above stated conditions, M/s Ratle hydro Electric Project Pvt. Ltd and Government of Jammu & Kashmir shall also implement all other environmental safeguards, as proposed in the EIA/EMP report and other reports from time to time. The J&K Government may also like to monitor implementation of EMP at regular interval.	Shall be complied
7.	Any change in the scope of the project shall be intimated to the Ministry and fresh approval, if required, shall be taken from the Ministry.	Shall be complied
10.	A Multi-disciplinary committee for monitoring the implementation of environmental safe guards during construction shall be constituted by the Project Proponent in consultation with the Ministry as early as possible. The Proponent shall suggest the members and their profile for approval of the Ministry. Proponent shall organize six monthly meetings of the committee and submit the monitoring report to the Ministry.	Shall be complied

11.	A copy of the clearance letter shall be sent by the Proponent to local Panchayat, Zila parishad/Municipal Corporation, Urban local body and local NGO, if any, from whom suggestions / representations were received while processing the proposal. The clearance letter shall also be put on its web-sites by the project proponent.	Shall be complied
12.	The proponent should advertise at least in two local newspapers widely circulated in the region around the project, one of which shall be in the vernacular language of the locality concerned informing that the project has been accorded environmental clearance and copies of clearance letter are available with the State Pollution Control Board/committee and may also be seen at Website of the Ministry of Environment and Forests at http://www.envfor.nic.in .	Shall be complied
13	After 5 years of the commissioning of the Project, a study shall be undertaken regarding impact of the project on the environment and downstream ecology. The study shall be undertaken by an independent agency, to be decided in consultation with the Ministry.	Shall be complied
14	The project proponent shall also submit six monthly reports on the status of compliance of the stipulated EC conditions including results of monitored data (both in hard copies as well as by e-mail) including the respective Regional office of MoEF and Zonal Office of CPCB and SPCB.	Shall be complied - 06 monthly reports on the status of compliance of the stipulated EC conditions shall be timely submitted.

*The records regarding implementation of EMP in compliance to the EC conditions are yet to be handed over by JKSPDC to RHPCL. The above information shall be suitably updated upon receipt of records and shall be submitted for kind information of MoEF&CC.

ANNEXURE-II

Ratle HE Project (850 MW)

(Status Report)

Ratle Hydro-Electric Project is a run-of-river scheme proposed on river Chenab in District Kishtwar of UT Jammu and Kashmir with installed capacity of 850MW. The Project envisages construction of 133mtr high (from deepest foundation level) Concrete Gravity Dam, an underground Power House to accommodate 4 units of capacity 205MW each and one Auxiliary Unit of capacity 30MW.

Initially, the construction of Project was taken up by J&KState Power Development Corporation through M/s GVK however the work was stopped in 2014. The plan for execution of the Project was revived by Ministry of Power, GOI in 2018 in consultation with Govt. of Jammu and Kashmir. The MoU was signed on 03.02.2019 and subsequently, supplementary MoU was signed on 03.01.2021 between NHPC (51%) and JKSPDC (49%) for formation of new Joint Venture for execution of Ratle HE Project. The new JV with the name “Ratle Hydroelectric Power Corporation Ltd.” Was incorporated on 01.06.2021 for execution of 850MW Ratle HE Project.

1. Status of Clearances:

Clearance	Status
Appraisal by CEA	TEA accorded by CEA on 19.12.2012
Forest Clearance (by J&K State Govt.)	Forest Clearance has been accorded by Govt. of J&K on 27.04.2012 (for diversion of 138.93 Ha Forest land) and on 05.03.2014 (for diversion of 29.13 Ha Forest land). The transfer of FC in the name of RHPCL is under process with GOJK.
Environment Clearance	Accorded by MoEF&CC vide letter No. J-12011/39/2010-IA.I dated 12.12.2012. The EC was transferred by MoEF&CC in the name of RHPCL vide communication No. J-12011/39/2010-IA.I dated 27.09.2021.
Indus water Clearance	IWT clearance has been accorded by MOWR (Indus Wing) on 16.08.2012. Vide letter dated 02.07.2021, MoWR (Indus Wing) has confirmed the validity of IWT Clearance of the Project in favour of RHPCL.
PIB/CCEA Clearance	Cabinet has accorded the Investment sanction of Rs. 5281.94Cr for implementation of 850MW Ratle HE Project communicated vide MoP letter dated 11.02.2021.

रतले हाइड्रोइलेक्ट्रिक पावर कॉर्पोरेशन लिमिटेड

RATLE HYDROELECTRIC POWER CORPORATION LIMITED

(A Joint Venture of NHPC Limited and JKSPDC Limited)

R&R Plan Approval

Vide Order No. 91-PDD of 2013 dated 21.03.2013 issued by GOJK in terms of Cabinet decision No. 44/7/2013 dated 15.03.2013, the sanction has been accorded by GOJK to the Rehabilitation & Resettlement Package of the Project for a total amount of Rs. 110 Crore. As per MoU, the rates of R&R Plan are to be revised as provided in case of R&R Plan of Kishanganga HE Project of NHPC and accordingly, the updated estimate of R&R Plan of Ratle HE Project stands submitted by RHPCL to GOJK for examination/ approval by the Empowered Committee/ Department of DMRRR.

*Note: All Clearances are to be transferred in the name of RHPCL before commencement of construction activities.

2. Award of construction works

The EPC Tender for construction of Ratle HE Project was published on 22/07/2021 and the bids for the EPC Tender were opened on 05/11/2021. Total 4 Nos. bids have been received and are under the process of evaluation. As per Cabinet Order for sanction of Project, the construction works are scheduled to be commenced by January 2022.

3. Status of Land Acquisition and transfer of land to RHPCL

As per Govt. of Jammu and Kashmir Order No. 198-PDD of 2014 dated 15-10-2014 regarding sanction of lease, State land measuring 233.96 Ha and Private land measuring 55.52 Ha has been acquired by JKSPDC through concerned Revenue Collectorate(s) of J&K Govt. for construction of Ratle HE Project in terms of Jammu and Kashmir State Land Acquisition Act. Further, sanction has also been accorded by GOJK for use of land measuring 138.81 Ha falling under river bed. The Awarded amount on account of acquisition of land stands deposited by JKSPDC with concerned Revenue Collectorate(s) and in most of the cases, the compensation stands disbursed by the Revenue Authorities among the land Owners. Further, vide communication dated 09.07.2021, RHPCL has taken up the matter with Govt. of Jammu and Kashmir for transfer of Project land from JKSPDC to RHPCL. The transfer of land to RHPCL is under process by Govt. of Jammu and Kashmir. The matter regarding handing over/ taking over of Assets pertaining to the Project is also under process.

4. Status of R&R Plan Implementation

Vide Order No. 91-PDD of 2013 dated 21.03.2013 issued by GOJK in terms of Cabinet decision No. 44/7/2013 dated 15.03.2013, the sanction had been accorded to the Rehabilitation & Resettlement Package of 850MW Ratle HE Project for a total amount of Rs. 110.00 Crore. The above R&R Package sanctioned by GOJK includes the

रतले हाइड्रोइलेक्ट्रिक पावर कॉर्पोरेशन लिमिटेड

(एनएचपीसी लिमिटेड और जेकेएसपीडीसी लिमिटेड का एक संयुक्त उद्यम)

RATLE HYDROELECTRIC POWER CORPORATION LIMITED

(A Joint Venture of NHPC Limited and JKSPDC Limited)

Rehabilitation and Resettlement Plan (Rs. 20.00 Crore), Local Area Development Plan including Skill Development Plan (Rs. 60.00 Crore) and Corporate Social Responsibility Plan (Rs.30.00 Crore). A part of R&R benefits as per the approved Plan stand already released to the beneficiaries however, exact details of payment are not available as the records of the Project are yet to be handed over by JKSPDC to RHPCL.

Further, as per Clause V(a) of the MOU signed for incorporation of RHPCL, the rates of the items of the R&R Plan shall be as provided in the case of Kishanganga HE Project of NHPC.As such, the revised updated Estimate of R&R Plan of the Project stands submitted to the Govt. of Jammu and Kashmir for further examination and approval by the Empowered Committee/ Department of DMRRR vide communication dated 07.09.2021 and 05.11.2021. The approval to the updated R&R Plan of Ratle HE Project is awaited.
